

# REPUBLICAN SENATE LEADERSHIP SURVEY

An official project of the National Republican Senatorial Committee

Senator Elizabeth Dole  
Chair

Registration #: [REDACTED]
-------------------------------

Dear Friend,

Your immediate attention is required on a confidential and time-sensitive matter.

You have been selected to represent your local voting district in a Republican Senate Leadership Survey.

Enclosed, please find your official SURVEY DOCUMENT – REGISTERED in your name only – assigned to you as a REPRESENTATIVE of ALL REPUBLICANS living in your voting district.

Your answers to this Survey are crucial. As Chair of the National Republican Senatorial Committee (NRSC), I will present the results of this survey to the Republican Senate Leadership team.

Your answers will be used to strengthen grassroots support for President Bush's agenda for a stronger, safer, and more prosperous America.

Because it is cost-prohibitive to send a Survey to every registered Republican in your area – your answers, and those of a few other good Republicans, will represent the views and opinions of ALL Republicans living in your voting district.

So please – even if you are undecided about some questions – complete your Republican Senate Leadership Survey, and return it to me within the next 7 days to ensure we get ample and accurate results.

**DO NOT DESTROY YOUR SURVEY!** The enclosed Republican Senate Leadership Survey is an OFFICIAL REPUBLICAN PARTY DOCUMENT. Your Survey is REGISTERED IN YOUR NAME ONLY and MUST BE ACCOUNTED FOR upon completion of this project.

If you decide not to represent your local voting district in this important Republican Senate Leadership Survey – please RETURN THE SURVEY DOCUMENT – AT ONCE – IN THE ENVELOPE PROVIDED.

Make no mistake: Your participation in this Survey is vital to America's future, and I

(Over, please)

must get your opinion on the most pressing issues facing our country today, such as:

- *Should we make the tax code simpler and fairer?*
- *Should we continue to institute wide-ranging tort reform?*
- *What further steps should we take to safeguard our homeland?*

Please tell me where you stand!

Your answers to the Republican Senate Leadership Survey will help our Republican Leadership team build an even stronger foundation of grassroots support for President Bush's agenda.

Will you stand by me in this crucial effort?

I hope you will because we are counting on each and every one to provide their input. This is one of the most tangible ways you can have an impact on the agenda in Washington.

The stakes are high for our country. The economy, litigation reform, the War on Terror, education and national security must be addressed now. That is why I must hear back from you immediately.

I MUST find out – as soon as possible – where loyal grassroots Republicans like you stand on the most vital issues facing our nation today.

As you are aware, on November 2, 2004, our Party exceeded all expectations and made history. By keeping control of the White House and increasing our Senate Majority by four seats, we have increased our chances of passing our conservative agenda.

But we cannot afford to rest on our laurels! Our Republican Senate Majority is still 5 seats short of the 60 needed to overcome a Democratic filibuster.

And while we deeply appreciate our supporters who have rallied around the President and his agenda in these challenging times, many other LIBERAL DEMOCRATS will be fighting tooth and nail to undermine President Bush's vision for a stronger, safer, more prosperous America.

You see, the liberal Democrats don't agree with President Bush. They still want BIGGER GOVERNMENT and HIGHER TAXES. They want MORE OF YOUR HARD-EARNED MONEY to spend on their big government programs.

That is why I must have your immediate involvement today. I have made this a top priority.

Our success was fought for – and won – by the heroic efforts of dedicated grassroots Republicans like you. But if we are to overcome the Democrats' obstructionist tactics and move this country forward, **we must continue to build from the grassroots up.**

Your completed Republican Senate Leadership Survey will help do just that!

So please, take a few moments NOW – while it's fresh on your mind – to complete your Republican Senate Leadership Survey. And return it to me within the next 7 days.

And when you do, please include your most generous contribution to the NRSC of \$500, \$250, \$100, \$50, or even just \$25 today.

Your completed Survey, along with your generous financial contribution, will help build maximum support for President Bush's agenda for a stronger, safer, and more prosperous America. It will also help begin building support for our Republican candidates who are up for election in 2006!

As you may know, the NRSC is the ONLY official Republican Party organization dedicated to supporting Republican candidates for the United States Senate and advancing the Republican agenda. Your financial support today will provide Republican candidates with polling data, research materials, strategic planning, advertising assistance, volunteer training, direct cash assistance, and much, much more.

The odds are in our favor. But while we no longer have Tom Daschle blocking our agenda...prominent Democrats have already revealed their plans to vigorously oppose President Bush's second-term agenda.

In 2004, the election was about winning the White House. The next election will be about controlling Congress. You can be sure Union Bosses and other liberal special interests will spend hundreds of millions of dollars to defeat Senate Republicans and regain a Majority in 2006.

**That's why we must begin strengthening our Party NOW.**

Now, maybe you think your opinion today won't make a difference...Maybe you think your voice won't count...

Please think again!

I'm a firm believer that men and women from all walks of life have a **valuable contribution** to make to public service by virtue of their own experiences.

You have been given a tremendous responsibility today. You are among a select group of Republicans chosen to participate in this high priority Republican Senate Leadership Survey...

Without your answers, I won't know where you and other Republicans stand on the key issues facing our nation today.

Simply COMPLETE and RETURN your Republican Senate Leadership Survey today, along with a generous contribution of \$500, \$250, \$100, \$50, or even \$25.

Your Survey and financial contribution will help defend and strengthen our Republican Senate Majority in the 2006 mid-term elections – and ensure maximum support for President Bush's agenda.

With warmest best wishes,

A handwritten signature in black ink that reads "Elizabeth Dole". The signature is fluid and cursive, with the first name and last name clearly distinguishable.

Senator Elizabeth Dole  
Chair, NRSC

P.S. Please complete your Republican Senate Leadership Survey, and return it to me within the next 7 days. The Republican Party is counting on your answers – along with a generous donation of \$500, \$250, \$100, \$50, or even \$25 – to help build a rock-solid foundation of grassroots support for President Bush's critical agenda.
